- 5) Make three (3) single pinwheel blocks with each of Dark, Medium, Light & Lightest fabrics as the center, for a total of twelve (12) blocks. Follow the diagram at the right. Use the size blocks and borders from **Block Layout Table | Each Pieced Border Block** on Page #1. [For example, for the Small Wall Hanging size, the top and bottom "squares" are the 2¼" x 2½" background and the side rectangles are 2 ¼" x 6" background.]

- 6) Convert the 12 blocks to their pinwheel format. These will be used to make the single pinwheel horizontal borders in step 11. Refer to **Appendix A** if instructions are needed.
